

1. Name- Dr. Aakash Gupta
2. Designation and Address- Scientist  
Pavement Evaluation Division (PED)  
CSIR-CRRI, New Delhi, 110025
3. Email- [ag.csircrri@gmail.com](mailto:ag.csircrri@gmail.com)
4. Contact No. - 8171646263
5. Areas of Interest - Functional and Structural Evaluation of Pavements,  
Pavement Maintenance Management System
6. Membership- Life Time Member of Indian Roads Congress
7. Expert Lecture Delivered- Delivered lectures on IRC Codes to Junior Engineers  
and Assistant Engineers of HPPWD

### **Professional Experience**

02/21- present	Scientist, CSIR-CRRI	New Delhi
07/16- 02/21	Assistant Professor Department of Civil Engineering, Jaypee University of Information Technology	Waknaghat Solun, H.P.
07/15 – 07/16	Assistant Professor Department of Civil Engineering, ABES Institute of Technology	Ghaziabad U.P.

### **Universities Study and Education**

PhD	07/16 – 01/20	Jaypee University of Information Technology	Waknaghat, Himachal Pradesh
M.Tech (9.32 CGPA)	08/13 - 06/15	NIT Kurukshetra	Kurukshetra, Haryana
B.Tech (75.9%)	06/09 - 06/13	JSS Academy of Technical Education	Noida, UP

### **Research Paper Published/Presented**

1. Aakash Gupta, Pradeep Kumar, Praveen Aggarwal, Pavement Performance Prediction Models and their use in Road Asset Management, National Conference on Sustainable Asphalt Pavement for developing countries, CRRI, New Delhi, 2016/3
2. Aakash Gupta, Pradeep Kumar, Ashok Kumar Gupta, Ashish Kumar; Development of Road Roughness Model using Analytical Hierarchy Process for Rural Road Network in Himachal Pradesh, Indian Highways, 48(11), Pg. 23-33
